Perfect! Please keep Mark and I in the loop. We have a channel to manage our presence at global conferences and back up Alexander together or individually depending on the need.

This was only just established today so it would be good for you to be involved, especially since you can lecture too!

Alexander,

It was great to see you and thank you very much for the martinis. Quite a civilized way to end a work day!

Thank you very much for your kind offer to help with invitations. We are looking into a number of the individuals you mention below and thinking where they might be best placed within the Concordia community that is mutually beneficial.

We would very much like to extend invitations to:

Mayor of Buenos Aires, Argentina - Horacio Larreta
President of Kenya - Uhuru Kenyatta

We would also be grateful if you would send a supporting note to our invitation we have processed to Pedro Pablo Kuczynski. We have officially invited him but it always helps to have support letters/emails sent.

Based on the above, I will send you electronic materials to attach for all of them, but in separate emails momentarily.

Thanks and have a great weekend!

Matt
